

Hello!

Thank you for purchasing my file!

Instructions to use:

1. Download zip file and extract it to specified folder
2. Choose main file folder and open it
3. Double click on layer "your design here"
4. Put your design or image in the tab layer
5. Ctrl + S or common + S (for Mac user) for saved the design.
6. Close the tab and Bingo! the design already changed

Thank you and don't forget to rate my item, I hope you like it.
